

A Nativity Story

Remember to add to your calendars the AJA Christmas program on December 10th! All students play a vital part in the program and are beginning to learn their lines.

Students in Grades 3-10 need to be dressed in ALL BLACK for the program. We recommend a black shirt and pants since many of the students will be wearing costumes. Kindergarten - 2nd grade may wear church service-appropriate attire.

Students need to be at the church and in the band room (church basement, first door to the right) no later than 10:30 AM

Our kids have been working hard practicing for the Christmas program next Saturday! Here are a few pictures from the week
